The Department is providing funds to Tier B municipalities for the implementation of certain activities required by the Tier B NJPDES Municipal Stormwater General Permit (NJ0141861). These activities, although only a partial list of the permit requirements, are listed below. The Department may release funds earlier if these activities are completed sooner than required by the permit. The municipality must be able to document completion of the activity and submit a Certification, to be provided by the Department under a separate cover, on or before April 1, 2006 to the Bureau of Administration and Management. 75% of the funds are released upon receipt by the Department of a signed agreement and the remaining 25% of the funds are released upon receipt by the Department of the Certification documenting completion of the required activities. This Application must be submitted to the letterhead address on or before April 29, 2005.

- Copy and distribute an educational brochure (provided by the Department) to all residents and businesses, and conduct one educational event between April 2005 through April 2006

*A signed agreement between the Department and your municipality will be required in order to release funds. The Department will prepare the agreement and forward to the municipality.*
